

KEMERTON SILICA SAND PTY LTD

ABN 85 067 603 552

Quantum Filtration
Bunbury Port

Att. Mr. Clive Hawkes

March 29, 2007

Dear Clive,

Further to your request for feedback on the performance of the DM 65 in the domestic water purification on our site we have the following comments.

- KSS changed over to DM 65 in early 2005.
- The change over from green sand to the DM 65 was no problem.
- The DM 65 product has been virtually maintenance free.
- The levels of both Fe, Mg and As have decreased since your product has been in use in the filters.
- The operation of our plant has not changed and not given us any problems since introducing DM 65.

Yours Sincerely

Mark Gell
Operations Manager
Kemerton Silica Sand Pty Ltd
